CALDY GOLF CLUB

Welcome to Caldy

The first glimpse of the Dee Estuary is one of the pleasures of a round at Caldy. The course moves between the open shoreline and tree-lined fairways before bringing you back to the clubhouse overlooking the eighteenth green.

Your Arrival

Start at Links Hey Road, Caldy, Wirral CH48 1NB. Keep your tee time and the name on your booking to hand.

On Arrival

Please call in at the Professional Shop before heading to the tee. The team can point you towards the changing rooms and practice facilities and advise on the day's playing arrangements.

Before You Tee Off

The noticeboard beside the Professional Shop gives the tee of the day, safety notices and handicap information. You'll find the local rules on your scorecard.

Travelling as a Group?

Follow the meeting time in your organiser's itinerary. For changes to numbers, catering or access requirements, please speak with the Club Office ahead of your visit.

GOLF AT CALDY

The Par 3 Course

Six short holes offer a chance to judge a pitch, read a putt and settle into your round. If you would like to play the Par 3 Course before your main tee time, ask the Professional Shop about availability when you book.

Explore the Par 3 Course

Before the First Tee

If you have a few minutes, begin on the putting green beside the clubhouse. With longer to spare, head to the range or short-game area.

Driving Range

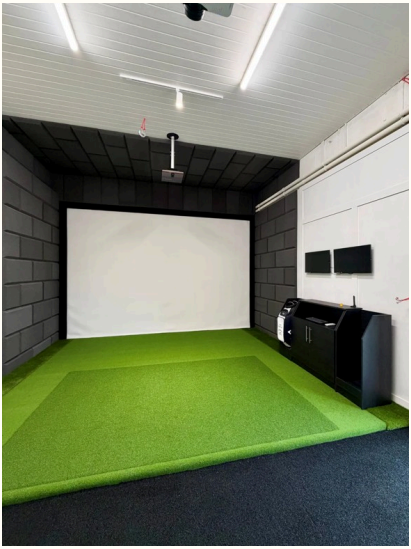

Pick up range balls from the Professional Shop. The range is close to the clubhouse, with grass and artificial hitting surfaces.

Short Game

The chipping area beside the putting green includes a practice bunker. For longer pitches, the old 17th at the foot of the range has a green where you can practise shots from up to 100 yards.

Swing Studio

Contact the Professional Shop for the latest on the indoor TrackMan studio and visitor availability.

Practice Facilities

Along the Dee

From the cliff-top holes above the Dee to the sheltered fairways inland, Caldy brings links, parkland and heathland golf into a single round.

Choosing Your Tees

The championship course is par 72 and measures 6,740 yards from the white tees. Check the tee of the day with the Professional Shop. The online scorecard gives distances and ratings for each set of tees.

The Estuary Holes

The fourth begins a stretch along the estuary. The fifth is a par five, followed by the sixth, stroke index one. The water comes back into view at the par-three tenth and seventeenth.

Winter Golf

Winter arrangements may include fairway mats, shortened holes or a reduced number of holes. Ask the Professional Shop about conditions for your round.

What to Wear

Recognised golf clothing and golf shoes are required on the course. Please use the changing rooms to change shoes and socks.

On the Course

Wear caps peak forwards. Gentlemen should tuck shirts into trousers or shorts. Ladies may wear golf shirts untucked when designed for that purpose.

Looking after the Course

Repair pitchmarks, replace divots and rake bunkers after use. Keep trolleys off greens, aprons and tees. Please report any ball struck beyond the course boundary to the Professional Shop or Club Office after your round.

Phones

On the course, keep your phone for emergencies or silent GPS use. In the clubhouse, please make calls in the foyer or locker rooms, or step out to the car park.

Full Dress Code and Etiquette

After Your Round

The terrace overlooks the 18th green and the Dee Estuary. It’s a good spot to watch the last group finish before settling down to a drink or a meal.

In the Lounge and on the Terrace

Smart casual dress or clean, dry golf clothing is welcome, including clean, dry soft-spiked golf shoes. Please leave hats and waterproofs in the changing rooms.

Dining with Your Group

If your booking includes catering, check the meal time with your organiser. For dietary requirements or a group dining enquiry, please contact the Club Office ahead of the day.
